Dear L.O.S.T,

On behalf of my wife Calley Johnson, myself, and family we would like to express our sincere gratitude for your generous donation. Though Calley's AVM hemorrhagic stroke has left her at this time unable to thank you herself, your contribution will help towards Calley's continued rehabilitation and ease the financial burdens placed upon us. She continues to make progress every day and we are extremely humbled to have been sponsored and your thoughtfulness and support will help us to continue through the times ahead.

Again, thank you, your sponsors, and all the participants that help make L.O.S.T a great and thoughtful organization for those in the Oilfield community.

Sincerely,
